If the alarm sounds during an after-school club, the teacher responsible is to take the students outside and assemble in the designated area.

***No one may re-enter the buildings until they have been given the all clear by the Principal, in the case of a fire drill or Fire Deputies, in the case of a fire.***

- Further Evacuation from the rear can be via the Arabic Girl's School.
- Fire Warning System: Bells, break glass and smoke detector units are situated throughout the buildings. These are tested on a rota basis.
- The main fire alarm panel is situated on the wall opposite the Secondary Student entrance doors. **This is serviced annually.**

### **Evacuation Procedures:**

- All areas have a site plan indicating nearest escape route.
- Regular fire drills are arranged

#### **10. Key Escape Routes:**

- All areas have direct escape routes to assembly points in the car park. If necessary pupils and staff can further be evacuated from the site via the Arabic Girl's School. (Bomb threats/gas leaks)
- Fire exit signs are posted on all exits.
- All exits are kept unlocked and clear of obstructions.
- There is emergency lighting on key routes throughout the building. These are tested regularly.

#### **11. Fire Fighting Equipment:**

- There are a variety of fire extinguishers throughout the building. These are checked regularly and serviced annually.

#### **12. Assembly Points:**

- Main car park

#### **13. Fire Risk Assessments:**

Risk assessments are carried out annually.

**It cannot be over emphasised that the main aim is to ensure everyone reaches a place outside which is as safe as possible. Putting a fire out is secondary to this.**
