

TRANSPORTATION FEE

for Academic Year 2023-2024

Dear Parents,

Transportation fees have been revised and find below the updated prices:

Particular	Term 1	Term 2	Term 3	Total
Round trip	120	90	90	300
One way trip	100	70	70	240

- **The transportation service fees is a term basis**, that means any parent must pay for the term his/ her child is joining even if the child joined the term late.
- Bus supervisors are provided and we expect every child to be on their best behaviour during the journey.
- Children must remain seated and follow instructions given by the bus supervisor.
- Time-keeping is important and we expect students to be ready at their pick-up point.
- Traffic can be heavy in the morning and our drivers are trying their best to be punctual, any issue must be referred to Abdul-Majeed. Bus must not be stopped and delayed.
- The transport manager, AbdulMajeed, can be reached on ☎ 554 057 23

Kind regards,

Senior Management Team
